93% Of Travellers Say SNA Tours Are Outstanding

This statistic speaks for itself, but the reason it's important is because you will only go on the luxurious Yangtze River Cruise once in your life. You want to know it's going to be fun, of the quality and comfort you expect from TVSN. We at SNA Tours realise that travel memories last a lifetime and we want to do everything in our power to make yours priceless and timeless by selecting the very best partners for every component of your holiday.

Singles... You Get Your Own Room And Cabin For Only \$800

Admittedly, the per day cost for this tour is higher than our other tours, but that's because the cost of the Luxury River Cruise Ship cabin is necessarily higher than a hotel room.

This Yangtze River Cruise component is a highlight of this tour. Because it's promoted on TVSN, there will be many other singles travelling - adventurous people like you who are looking forward to sharing this experience with you on one of the most exotic rivers in the world. You don't want to miss out just because it's a "little expensive"... It's totally worth the comfort of having your own private cabin with your own balcony!

Please note that we offer the lowest fees for singles in the marketplace BECAUSE of our partnership alliance with TVSN.

A system developed to ensure the simplest and fastest process possible.

When you place your order on TVSN, by calling 13 23 10 or online at iTVSN.com.au, the **TVSN Customer Care team** will process your order promptly anytime of day or night, 7 days a week!

- Once the TVSN Customer Care team processes your order, it sends it to SNA Tours the following business day (Monday to Friday).
- This means an order processed on Friday night will only be received by SNA on Monday morning, otherwise it's usually the next morning.

WHEN WILL I HEAR FROM SNA TOURS?

- Once your order is received, it's imported into the SNA Tours order processing system and a confirmation email is INSTANTLY sent to you if you are the person who placed the order.

SNA Tours sets you as the Primary Passenger for that travel unit (family or friends travelling together) and you are the only person who will be contacted by email or phone. If you would like to nominate someone else, just let us know and we'll gladly make the change.

- On the day your order is received, an SNA Customer Service person will call you (as the Primary Passenger).
- If you are not available, a voicemail will be left with the instructions for you to follow.

Answers To Commonly Asked Questions

When will my travel date be confirmed?

Your travel date is already confirmed. When you purchased your tour from TVSN, you selected your date and it is GUARANTEED.

If you change your mind about the travel date you want within the 30-day period, just contact SNA Tours and we will make the change for you. No worries!

When will I get my ticket(s)?

We negotiate great deals with airlines ahead of time, purchasing tickets in bulk at different times throughout the year to achieve economies of scale to provide you, as a TVSN client, the very best value for money.

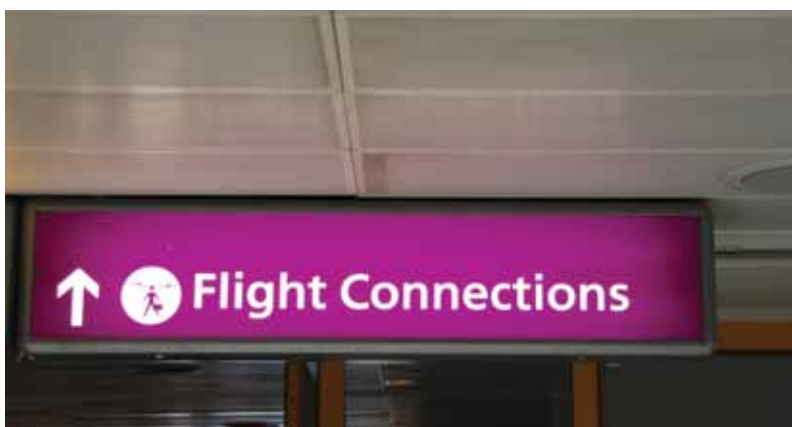

Unfortunately this means there is no pre-set time when you will get your tickets other than well in advance of your travel. Sometimes this can occur months in advance while in others, it's 30 days or less prior to travel.

REST ASSURED WE HAVE EVERYTHING UNDER CONTROL AND NO ONE HAS EVER MISSED THEIR FLIGHTS IN OUR 6-YEAR HISTORY. **Your tickets will be issued electronically**, but are no longer needed by the airlines. Upon check-in, you just need to show your passport and visa.

Where will I have a stopover on my flight?

Due to the large number of travel dates, groups, varying itineraries, origin cities and destinations we need to deal with, we are not able to confirm if there will be a stopover or where that might be on your way to and from your chosen destination.

When you purchased the deal on TVSN, you purchase a Group Tour at an incredible price point that requires us to find the best path to get you from your origin city (Sydney, Melbourne, Perth, Brisbane, Adelaide or Auckland) to your destination. Most of the time, this means we need to go through a large hub airport to then connect with a domestic flight.

We always seek to ensure the minimum amount of layover time that meets with the required transfer times set by the airlines and/or designated airports.

If you wish to pay to upgrade to a better, more direct flight path, you may contact SNA customer service, but experience has shown us that the substantial additional cost is usually prohibitive.

If you want to travel Business Class, just let us know and we'll discuss the options available. BUT... If you want to travel Business Class, check out our amazing TVSN special deal and we'll discuss the various options available.

When will I get my itinerary?

- **This PDF file is your TOUR itinerary.** A detailed day-by-day summary of your hotels and other travel details will be sent to you at least one week prior to travel to ensure it is complete and accurate.
- This is because many small, but important details change at the last minute due to the complexity of travel to developing countries.

When will I get my visa(s)?

- Visas are processed in bulk, based on travel tour dates and group sizes. Each country has its own visa process which unfortunately can vary widely beyond our control. Developing countries are notorious for inconsistent processing, which is why we strongly suggest you leave it up to us to deal with it.
- We have dedicated customer service personnel to hand-hold your visa application through each step to ensure nothing goes wrong. Unfortunately, there is no pre-set schedule we can confirm other than you will receive them well ahead of your travel.

What are the refund and cancellation policies?

TVSN and SNA Tours have partnered together to bring you the best value-for-money deal possible based on the volume that TVSN viewers provide. To negotiate the best dates, excursions, hotels, transportation and airline seats, confirmations need to be made as soon as the campaign ends. This means that once the TVSN 30-day Money Back Guarantee (MBG) Period ends, there will be penalties for cancelling:

- Once the 30-day MBG period ends a minimum of \$100/person fee will be charged to cover administrative costs incurred.
- After the 30-day MBG period ends and before tickets are issued, a \$350 fee will be charged to cover reservation and ticketing costs incurred.
- Once tickets are issued, no refund is possible.

Should there be a health or other serious issue, TVSN and SNA will assess the claim on compassion grounds.

Can I decide my travel flight path?

The short answer is no. Each TVSN campaign comprises hundreds of travellers across dozens of dates and half a dozen origin cities. You can imagine the complexity to make sure everyone arrives at the destination city on the same day! This means we need to have the flexibility to manage across multiple airlines and cannot provide each passenger or travel group with their own preferred flight path. The more direct flight path, the higher the cost. This is admittedly a trade-off when traveling with a group at this amazing price!

Can I upgrade my flights and/or arrive a day early to rest and relax?

Yes, you can upgrade your International flights to Business Class for a great price of only \$3,000 per person and we are now offering a 1-day early arrival "rest and relaxation" upgrade. Please refer to the attached details for more information and/or contact the SNA Customer Service team to discuss the details and make your final selections. Please note domestic flights can only be booked in Economy.

Make your holiday... unforgettable

UPGRADE TO BUSINESS CLASS

You can upgrade your International Flights to Business Class for only \$3,000/person, it's the best Business Class price on the market! If you have never flown in Business Class, this is the one chance you have to give it a go and make your trip extra special!

SNA Tours customer service will coordinate with you to secure seats since they are understandably very limited on long haul flights and at this price, increasingly popular.

Make your holiday... unforgettable
