July 2014 Welcome

Winter is upon us and it's bringing a lot of shopping goodness to get excited about!

This month has magic in the air, with TVSN's Christmas in July (25th July), when we devote an entire day to that festive feeling! There's nothing quite as special as Christmas in the cold...

The frosty months can be a good excuse for hiding out and hibernating – but don't let your health fall by the wayside! We're getting you out of that mid-winter slump with Health Day (1st July): a whole day of products to help keep you fighting fit and feeling good. What's the most fun thing about winter? New season style of course! Don't miss TVSN's Get Gorgeous Day (19th July) where you'll find everything you need to look like a million bucks, from beauty and cosmetics to fabulous fashion and accessories.

There's a lot to look forward to – enjoy the cool change!

RICHARD KAVANAGH. CELEBRATED HAIR STYLIST.

Richard developed his skills through working at fashion shows and salons, and soon became known for creating strong shapes. He has since spent his days jet setting between Paris, New York and Milan styling hair for Yves Saint Laurent, Calvin Klein and Prada. His work has also graced the pages of Vogue, Marie Claire, Shop Til You Drop and a slew of glossy fashion magazines. With a long list of A list celebrity clients Richard is the author of the must-have book "Love Your Hair" and is the face of Yogi Hair Wands.

The Yogi hair wand allows you to create a variety of styles from big waves to tight curls, using the three different sized barrels. The wand is lightweight, easy to use and creates long-lasting curls making it the must have styling tool.
